

Dear valued customer,

## Top up for September!

We hope you and your colleagues are experiencing the benefits of using our new **OCR A Level Science** resources in your classrooms.

Written by experienced examiners, each exam-focused package supports and inspires your students to reach their full exam potential and provides you with comprehensive back-up material.

- **Student Books** with free Exam Cafe CD-ROMs to help your students with exam preparation.
- **Teacher Support CD-ROMs** packed with material to help you plan classwork and homework.
- **Revision Guides** to give your students comprehensive revision support.

### NEW for September 2009 – ActiveTeach CD-ROMs

ActiveTeach CD-ROMs help you create engaging specification-matched lessons - they contain an interactive version of the Student Book for whole class use and are packed with resources, activities, video clips and worked example presentations. And just like the rest of the resources, the CD-ROMs are written and approved by experienced teachers and examiners.

The enclosed order form will make topping up your resources ready for the new term easy – and allow you to save up to 20% off your order! You can also pre-order your ActiveTeach CD-ROMs!

With best wishes,
